These figures are mathematical projections based on hypothetical, optimal conditions, and should not be considered guarantees or projections of your actual earnings or profits. Any representation or guarantee of earning, whether made by Univera or an independent Univera Associate would be misleading. Success with Univera results from successful sales efforts, which require hard work, diligence, and leadership. Your success depends on how effectively you exercise these qualities. Note: 60% of all Univera Associates earned between \$34 USD and \$830 USD from Jan. 2006 to Dec. 2006.
